Completion Date

2006

JBA worked closely with Carlone Construction to provide all planning, lot line adjustments, design and construction staking services for the Brier Business Center in San Bernardino. The Brier Business Center is made up of six buildings along the Zanja Channel in the Hospitality District of San Bernardino.

JBA worked closely with City staff and Flood Control to provide the necessary set backs for the buildings from the Zanja Channel. We provided all design engineering and construction staking for the building and improvements.

Key Project Staff

Joseph S.C. Bonadiman, P.E. – *Project Engineer*
Edward J. Bonadiman – *Survey Manager*
