Humane Society of San Bernardino Valley, San Bernardino, CA

Client

Miller Architects
1177 Idaho Street, Ste.200
Redlands, CA 92374

Project Location

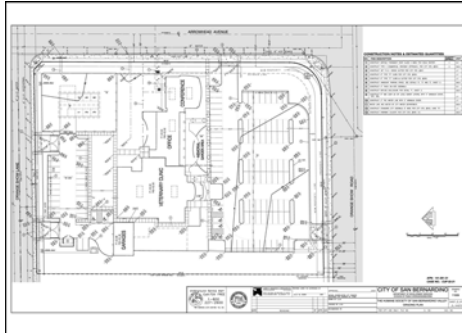

San Bernardino, CA

Contact

Gary Miller
(909) 335-7400

Completion Date

2006

JBA provided the original ALTA survey and topographic manuscript to Gary Miller Architects. We assisted in the planning portion of this project including, preliminary grading and drainage.

JBA prepared all improvement plans including street improvement and water quality water management plans and SWPPP. JBA assisted during construction to answer request for information (RFI) for the contractor to make sure the project was built per plan and on schedule.

Key Project Staff

Edward J. Bonadiman, P.L.S. – *Project Manager*
Joseph S.C. Bonadiman, P.E. – *Project Engineer*
