Client

Norton's Fresh Squeezed Juices, Inc.
735 E. Base Line Street
San Bernardino, CA
92410

Project Location

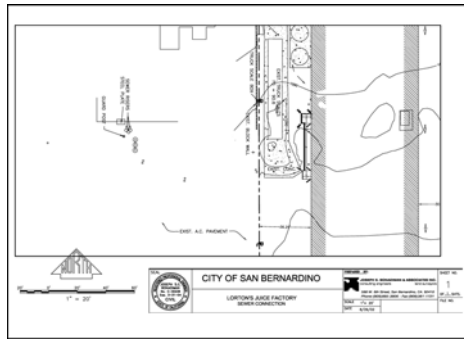

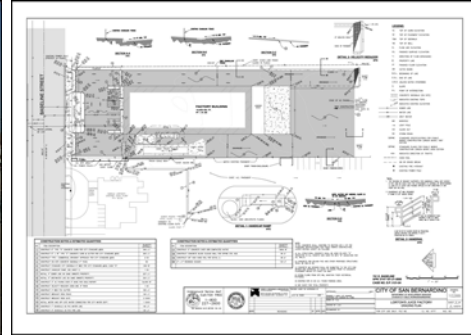

San Bernardino, CA

Contact

John Norris
909 / 386-7933

Completion Date

2006

JBA provided surveying services and legal descriptions to prepare site for a modern cooled warehouse structure for this juicing operation.

We worked closely with the owner and contractor. We provided the necessary access and circulation to maintain operation levels for the existing facility.

Key Project Staff

Joseph S.C. Bonadiman, P.E. – *Project Engineer*
Edward J. Bonadiman – *Project Manager*
