

Project Management, Engineering, & Surveying

Rancho Mirage Professional Plaza, Rancho Mirage, CA

Client

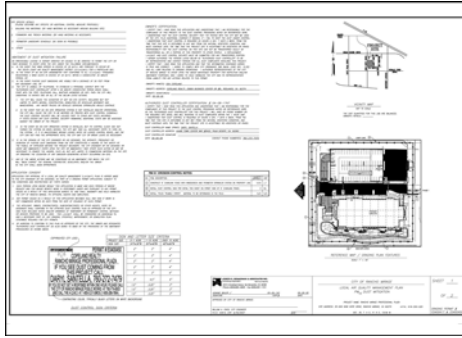

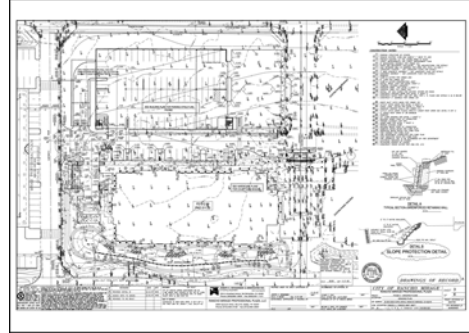

American Medical

Project Location

Rancho Mirage, CA

Completion Date

2004

JBA provided base topographic and boundary survey we assisted in the planning of the projects and acquiring the tentative parcel map and conditions of approval for a medical condominium plan.

JBA prepared all improvement plans including under ground utilities for this project that included two-story parking garages and two-story full service medical condominiums.
