

12" Transmission Main Line & Pilot Spreading Basins

Metropolitan Water District of Southern California (MWD), Chuckwalla Valley, CA

Client

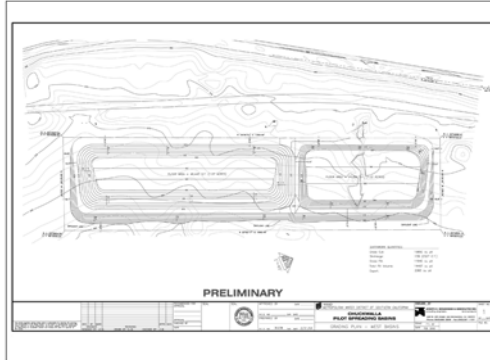

Metropolitan Water
District of Southern
California (MWD)
P.O. Box 54153
Los Angeles, CA
90054-0153

Project Location

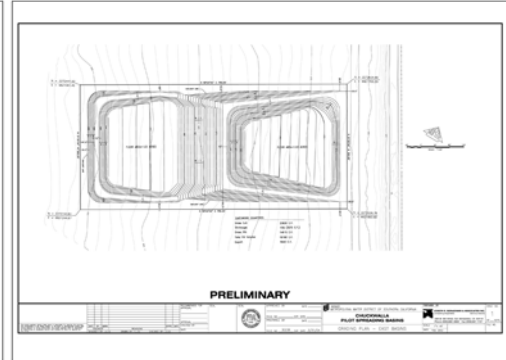

Chuckwalla Valley,
CA

Project Date

2002

JBA was retained by the Metropolitan Water District of Southern California (MWD) to design 1,200 feet of 12" water transmission main line in the Chuckwalla Valley area of Southern California.

This transmission line was designed to transport water to pilot infiltration basins that were also designed by JBA.

Key Project Staff

Joseph S.C. Bonadiman, P.E. – *Principle Engineer*
Edward J. Bonadiman, P.L.S. – *Survey Manager*
