Completion Date

2008

JBA provided project management, survey and design engineering services for the construction of the Rialto Elementary School No. 18. Services included the preparation of all grading, parking lot, utility, and storm drain improvement plans.

In addition, JBA prepared the hydrology/hydraulics study, Water Quality Management Plan (WQMP), and Storm Water Pollution & Prevention Plan (SWPPP) for the project. JBA also provided construction staking for all improvements.

Key Project Staff

Edward J. Bonadiman, P.L.S. – *Survey Manager*
Manuel A. Delgado, P.E. – *Senior Water Resources Engineer*
