

# Construction Management, Engineering, & Surveying

## County of San Bernardino Fire Station – Crafton Hills

### Client

*County of San Bernardino*

### Project Location

*Yucaipa Blvd.  
Yucaipa, CA*

JBA provided all project management, survey and design engineering services for the construction of the County of San Bernardino Fire Station at Crafton Hills on Yucaipa Blvd. The Station has since been turned over to the City of Yucaipa. Services included the preparation of all grading, parking lot, utility, street, and storm drain improvement plans. JBA also prepared the hydrology/ hydraulics study and provided construction staking for all improvements.
