Project Date

2005

JBA provided all on-site and applicable off-site improvements plans for the development of a 10-acre Senior Living apartment complex and adjacent commercial development in Hemet, CA. These plans included grading, street, water, sewer, and storm drain improvements.

In addition, JBA provided topographic and boundary surveying services, as well as construction staking for all improvements throughout the construction phase of the project. JBA also prepared the project Water Quality Management Plan (WQMP) and Storm Water Pollution Prevent Plan (SWPPP).

Key Project Staff

*J.T. Stanton, P.E. – Project Engineer
Edward J. Bonadiman, P.L.S. – Survey Manager
Dennis W. Jackson, P.E. – Senior Water Resources Engineer*
