*Sensis Corporation  
5717 Enterprise Parkway  
E. Syracuse, NY 13057*

## Project Location

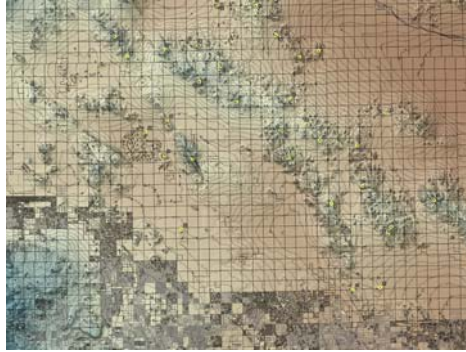

*Mojave Desert,  
Southern California*

## Contact

*Kurt P. Kutler  
ATS Systems Engineer  
315 / 278-4200*

## Completion Date

2005

JBA was retained by Sensis Corporation to perform a GPS survey of a large United States Marine Corps Base in the Mojave Desert of Southern California. The size and terrain of the project site necessitated helicopter transportation.

As part of its services, JBA also prepared various Geographic Information System (GIS) exhibits illustrating the accuracy of the GPS points obtained from the survey.

## **Project Staff**

Edward J. Bonadiman, P.L.S. – *Survey Manager*  
Michael J. Bonadiman – *Director of Surveys*
