Project Date

2006

JBA provided all on-site and applicable off-site improvements plans for the development of the 249-lot Tentative Tract 16948 residential subdivision in the city of Victorville, CA. These plans included grading, street, wall, water, sewer, storm drain improvements, and striping plans.

In addition, JBA provided topographic and boundary surveying services and prepared the Tentative Tract Map for the project. JBA also prepared the Preliminary Hydrology Study and Drainage Analysis to conform with the larger Drainage Master Plan for this area, also prepared by JBA.

Key Project Staff

Joseph S.C. Bonadiman, P.E. – *Project Engineer*
Edward J. Bonadiman, P.L.S. – *Survey Manager*
Dennis W. Jackson, P.E. – *Senior Water Resources Engineer*
