

Marine Corps Base GPS Survey

Mojave Desert, Southern California

Client

*Sensis Corporation
5717 Enterprise Parkway
E. Syracuse, NY 13057*

Project Location

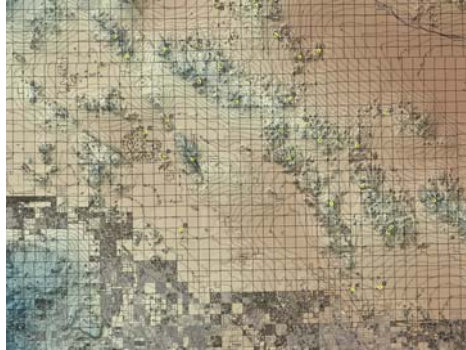

*Mojave Desert,
Southern California*

Contact

*Kurt P. Kutler
ATS Systems Engineer
315 / 278-4200*

Completion Date

2005

JBA was retained by Sensis Corporation to perform a GPS survey of a large United States Marine Corps Base in the Mojave Desert of Southern California. The size and terrain of the project site necessitated helicopter transportation.

As part of its services, JBA also prepared various Geographic Information System (GIS) exhibits illustrating the accuracy of the GPS points obtained from the survey.

Project Staff

Edward J. Bonadiman, P.L.S. – *Survey Manager*
Michael J. Bonadiman – *Director of Surveys*
